

Note 1: Why am I here? Where is my sister/brother? Why is she/he gone?

Note 2: I can't wait any longer! Find her, and escape! I can't stay here anymore!

Note 3: Try one more time! I can do this!

Guard (daytime): Be quiet! Do not ever think that you can escape from here!

Guard (in the yard let the prisoners out for exercise): Stand still! It's time to count!

Stay focus! Follow us!

Guard (cafeteria): Back off, keep your distance from the door. (only one guard here)

Prisoner A (cafeteria): Told you not to stand too close to the door, that guard is always so scary.

Prisoner B (cafeteria): But someone is slacking off! I just don't want to miss the chance, you know it. You always need to try for luck!

Prisoner A (cafeteria): It is not his first time slacking off. I once saw in fell asleep in the storage room.

Prisoner B (cafeteria): I don't know that is there any chance that both guards could take a rest. So that we can sneak out!

Prisoner A (cafeteria): Shh! Be careful and low your voice. It can not be easy and possible!

Prisoner C (cafeteria): How can I get Crane's things back? Why is he missing anyway?! I just want to bring back his stuff, why there is no one to help us. But who can get these stuffs beside the guard? No one can go to others cell except for the guard. They don't have to get rid of Crane's stuffs.

Prisoner C (cafeteria): Oh! Sorry that I bump into you, I wasn't looking. I just miss my friend so much. (bump into player)

Prisoner D (cafeteria): This meal smells so good! It is a pity that it is only serves to guards. This is so unfair.

Prisoner E (cafeteria): Who wouldn't say that. OMG, I feel hungry again when I smell it. Oh god, I need to see if I can get more food up there.

Prisoner D (cafeteria): We need to get our food by ourselves and get laughed by the cooks. Look at these guards! The cooks will bring their food to them!!!

Prisoner E (cafeteria): OK. Enough to say. Everyone could bully us at here, nobody would even care. Have you heard that? There is someone missing again in these days. No one would care about that.

Guard B (cafeteria): Hurry up! Why is it so slow today? I have been waiting so long!

Player: I am so sorry, the food come out a little bit slow today. There are freshly made.

Guard B (cafeteria): Ok! (eat the meal with drug)

Guard B (cafeteria): I am full right now. (make a yawn) Probably it is good to take a nap.....zzZZZZZ

Guard (in the yard finishing the exercise time): It is time to go back to your cell! (count the number)

Guard (nighttime): It is time to come home, count the number quickly!

Guard (nighttime): The number is good. (lock the door in the hallway)

Player: Aw! You are the one who bump me in the cafeteria.

Prisoner C: Why are you here? Oh! You escape!

Player: Be quiet! I might could help you find your friend's stuff.

Prisoner C: Really? If you can bring me his stuff, I can give you one thing which can definitely help you when you escape. (drug)

Player: Why do you give it to me instead of using it?

Prisoner C: I have no friends outside, no family. Crane is my only family. And without him, there is no meaning for me to get out of here anymore.

Prisoner C: Cranes' room is the one that is innermost. I saw him come out for exercise when he is still here. He always writes his name on his stuff.

Prisoner C: You are finally back!!!! Do you get them! Please tell me you have his stuff.

Prisoner C: (checking) Yes, yes! These things belong to him! Why do we have to went through these things, we have done nothing! We are just trying to live!

Player: Don't be so negative. He is just missing, probably he would come back.

Prisoner C: You don't need to comfort me. Take it. I hope you can run away. Go! Don't waste your time here.

Prisoner's cell:

What is going on here? Why do guards feel nervous when I mention the Hexagram.

And tell me not to mention it anymore?

I need to get out of here, but the key is in the office all the time, how am I able to get it.

The guard will go on the parole in the daytime.

I am not going to give up at here. I am in the first floor right now!!!! I saw the gate!! Oh god they found me! How could it be! The guards should go one their parole once in 15 mins!

Someone has been grabbed again yesterday. They didn't seem like guards. They thought I was asleep, but I didn't. I need to think, I need to find a way out, or I could be grabbed!
